# PG SOFTWARES

ISO 9001: 2015 Certified

MOBILE APP DEVELOPMENT

COMPANY IN COIMBATORE

PG Softwares is a leading App Development Company in Coimbatore. Our talented mobile app developers have gained a lot of experience by developing a wide range of mobile applications for various industries and businesses. We find it essential to deliver a quality product that is of high standards. Our design team will create a user interface that is both attractive and simple to use.

ANDROID APP DEVELOPMENT

Using Android Studio IDE to design and develop Native Android Mobile App. Our Apps are compatible from Android Version 10.0 to Version 12. More than 80% of users are using Android phone. So we know the importance of the Android version updates and fixes.

IOS APP DEVELOPMENT

We are a best Native iOS Mobile App development company in Coimbatore. Our iOS App Development services starts from getting requirements from client to launching your iOS Mobile App in iTunes App store after successful review. We use Swift 5.5, XCode 13.0 and PHP 7.4 Programming languages to develop iOS Apps.

CROSS PLATFORM FLUTTER APP DEVELOPMENT

We use Flutter 2.10.0.0.1 framework for creating native mobile apps for Android and IOS. To reduce the cost and time of the development, we build apps with Flutter.
